Calling all Group Convenors
Updating Group Information on the Website

Have you visited our website recently? - www.u3ainbath.org.uk

We really need to update the information about all our groups and in order to make it easier for visitors to the groups pages I am proposing that we all follow the same format: (*with apologies to CWG3*)

WHAT – explain what your group does, a couple of sentences should be enough, just to give people an idea of the purpose of the group.

Eg: We are a group of U3A-ers who like to walk for 2 to 2-1/2 hours, approximately 3-1/2 – 5 miles, mainly within a 10 mile radius of Bath. Our walks are generally circular, finishing with a pub lunch which is as much part of the activity as the walk. You will need to be able to cope with stiles, the odd muddy patch, and hills (you can't avoid them in this area!)

WHEN – explain when you meet – weekly, fortnightly, monthly, throughout the year or seasonally, day of the week, morning, afternoon or all day, starting time, length of meeting

Eg: We meet on the 3rd Monday of each month, although sometimes we have to accommodate a bank holiday, "10am for a 10.15 start"

WHERE – explain where you meet, in member's homes (don't give addresses), in a community facility, outside

Eg: We usually start from the lunch venue and give details for parking, we encourage members to share lifts where possible.

Some groups may also wish to include a photo, or a copy of the current year's programme – but make sure it is current!

I am proposing that we also include the following common statement:
